If your books aren't from those sources, you can still copy them to your Kindle. To move the ebooks onto your e-reader, connect it to your computer and copy the files over. In most cases, once your computer identifies the device, it will appear as another storage drive. If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book.

Bound In Flesh

"Bound In Flesh" was a disappointing sequel to "Bound In Blood", at least to me. The novel appeared to have been written in haste, even though there was a five-year interval between the first and second books. Quite frankly, the characters were poorly developed. The storyline was frequently was not entirely believable. The sex scenes were desultory.
