The copyright law of the United States grants monopoly protection for "original works of authorship". With the stated purpose to promote art and culture, copyright law assigns a set of exclusive rights to authors: to make and sell copies of their works, to create derivative works, and to perform or display their works publicly. These exclusive rights are subject to a time limit, and generally expire 70 years after the author's death.

Copyright law of the United States - Wikipedia

Copyright laws grant protection solely to the expression of ideas, not necessarily the fundamentals of the idea itself. 10. POOR MAN'S COPYRIGHT. Copyright laws in the United States do not require that creative works to be registered in order to have copyright protection.
