Dwelling, Place and Environment: Towards a Phenomenology of Person and World. Dwelling, Place and Environment. : themes among the essays resurface and resonate. Though our request for essays was broad and open-ended, we found that topics such as seeing, authenticity, interpretation, wholeness, care, and dwelling ran as undercurrents throughout. Our major hope is that each essay plays a part in revealing a larger whole of meaning which says much about a more humane relationship with places, ...
