There are three ways to make a mini French Bulldog, each with their own pros and cons. Let's take a brief look. Method One: Crossbreeding . The first way someone may try to create a teacup French Bulldog is to crossbreed a standard French Bulldog with a different, smaller breed dog. This method is the best way to create a healthy smaller dog. It widens genetic diversity in the gene pool ...

One look at this breed and you may think it was bred for its striking physical appearance; contrary to this, the Mini Bernedoodle was actually bred for its low shedding capability as this makes it a tad hypoallergenic and suitable for dog lovers with allergies. They are very intelligent, playful, affectionate and a bit shy. A first generation, known as F1 is a purebred Bernese Mountain Dog ...

Teacup Maltese puppies are the little angels of the dog world. Known for their sweetness and love for people, a Maltese puppy's sweet nature will make anyone's heart melt. Despite a baby teacup Maltese's small size, it won't shy away from voicing its opinion or showing its independence. Because toy Maltese dogs are so sweet, they don't like being separated from their pawrents.

If your dog is a little too playful or pushy with other dogs I'd work on some impulse control & desensitization techniques. For impulse control I'd start at home; teach your dog to 'look at me' or 'pay attention' until your confident that you have a pretty good handle on getting your dogs attention. Of course doing that at the dog ...
