Live Dead The Grateful Dead

Live/Dead is the first official live album released by the rock band Grateful Dead. Recorded over a series of concerts in early 1969 and released later the same year, it was the first live rock album to use 16-track recording.

Live/Dead - Wikipedia

Live / Dead is the arrival and unreachable point of a musical movement that ends here. 1969 is the last year in which this rabble (in a good sense) is at the center of the scene as seminal groups are emerging for a further evolution of rock that will abandon the psychedelic postulate and the flower power to leave room for more varied themes, however often engaged, arm in arm with decidedly more hard sounds.

The Grateful Dead - Live / Dead | Releases | Discogs

"Live Dead" is a classic collection of tracks, remastered from their performance at the Fillmore West in 1969. I originally bought this album on vinyl back in the 70s. The original vinyl release was a two-album set, which had some awkward breaks at the ends of each side of the record.
