I first read this book many, many years ago as a young girl of 10 or 12. I loved it back then mainly because my family had a beautiful black and white German Shepherd we named Kaiser. I could relate to the book because it was easy to see the call of the wild in Kaiser. He was strong and independent and would roam freely wherever he wanted.

Gold dragons are voracious learners, and they tend to become very wise and worldly as they age. They freely share their knowledge and experience to anyone who asks, dragon or not. In fact, it is not unknown for a gold Great Wyrm to take the form of a scholarly professor in order to spread its knowledge at some human center of higher education.

Edit • Image • Reference The empire of Shurima was once a thriving civilization that spanned a vast desert. After an era of growth and prosperity, the fall of its gleaming capital left the empire in ruins. Over millennia, tales of Shurima's glorious city became myth and religion among the descendants of the scattered survivors. Most of the nomadic inhabitants of Shurima search for basic ...
