The Case Of Newborn Nightmare

The Case of the Newborn Nightmare. Author(s) Andrea C. Wade Academic Services Monroe Community College awade13@monroecc.edu. Abstract. Three newborns left in the care of "Dr. Mark Maddison" have developed a mysterious rash. Under increasing pressure from hospital administrators and distressed parents, the doctor must diagnose and treat the infants.

The Case of the Newborn Nightmare - National Center for ...

Matt continued to flip pages, more and more impatiently. Abruptly, he turned a page and met the gaze of a newborn staring unflinchingly out at him. Except for the tiny hat stenciled with the name of an unknown hospital, the newborn could have been one of his patients in the nursery. The baby was pictured lying in a crib naked except for the hat.

"It's just the worst nightmare to think about being in a hospital in labor for hours alone. It's not even about having some sort of magical experience that my husband is missing or this birth story not being what I've always dreamed about. It's about surviving this. I'm just scared about the basics."
